

Needed immediately!

Work, live and play 15 miles from Rocky Mountain National Park in beautiful Pinewood Springs, a small rural mountain community with 302 water taps is seeking a qualified full time distribution system operator, for operation, maintenance, and upgrades of our water distribution system, treated and raw water storage, water treatment facilities, service metering, and auxiliary pumping stations.

This full-time, year-round position has an excellent benefits package including health insurance plus dental and vision, paid vacation, sick, holidays and personal days, educational opportunities, and top salary (\$20 per hour or more, DOQ).

Participation in after hours and on call duties are required and will be shared with another employee.

Plumbing, mechanical, electrical and equipment operation skills are needed to fulfill this role. Computer skills with Word, Excel, Team Viewer and SCADA or a willingness to learn quickly are a must.

Job requirements, HS Diploma or GED, Colorado Operators Certification, regular driver's license, previous experience working for a utility a plus.

Work schedule: 8 to 5 Monday thru Friday. On call on alternate nights and weekends.

Candidate must reside in or near Pinewood Springs with a 20-to-30-minute response time preferred. Rentals in Pinewood available. Covid vaccinated and nonsmoker preferred. Drug and alcohol-free workplace.

If interested, please email or call Gabriele Benson, pswdadmin@att.net or 303-823-5345 for more information. Submit resume to same email address or mail to 183 Cree Court, Lyons, CO 80540.
