

# Pinewood Springs Water District Newsletter April 2013

## Water District

Pinewood residents have done a great job on cutting back their daily water usage. Thank you! Even with recent snow and rains, the reservoir remains only about half full. Please continue to conserve.

The District recently had American Leak Detection come in and try to find any leaks that the system might have. Eight leaks were found. Carl worked last week to get them all repaired. One was a meter at a vacant house that had not been turned off. It had frozen and broke.

To be included on the agenda for the next Water Board meeting on Wednesday, April 24th, call Gabi at 823-5345.

## Fire District

Spring is a great time to mitigate wildfire hazards around the home. Cool temperatures make it a nice time to work outside and the grass and bushes are still low enough to make access to low tree limbs easy.

Free wildfire mitigation assessments are available. Please call the fire station at 823-5086 and leave a message or email Josh Thompson at [jtomsn@yahoo.com](mailto:jtomsn@yahoo.com). Next **Fire Board** meeting is April 9th, 7:00 pm at the Firehouse.

## Auxiliary Group

Please see the enclosed green flyer for exciting information concerning the next fundraiser for the Auxiliary group.

## Road Board

In 2013 the Pinewood Springs Road Board will be rebuilding Elk Road from Deer Lane on up. The road base will be rebuilt and the road widened. Other previously rebuilt roads will be touched up as required to maintain their durability. We will also be maintaining and repairing other roads, ditches and culverts as necessary.

As always, please report any road problems or requests to the Road Board message service, 895-3848. Board meetings are held the 1st Tuesday of the odd

numbered months of the year at 7:00 PM in the Firehouse. Please enter through the back door. The next Road Board meeting is Tuesday, May 7<sup>th</sup>.

### **Pinewood Springs Community Church News**

Regular church services are held on Sunday mornings at 10:00am. Bible study continues until Memorial Day.

### **Property Owners Association**

Bluebirds are back. Can the bears be far behind?

For those of you that have not yet purchased a reflective house number sign, there are still some available. Cost is \$8.00 for paid members and \$12.00 for non-paid members.

Many of you have asked about Beetle block patches. We will be ordering the end of May for a mid-June delivery.

New resident to Pinewood Springs? The Lyons Area Chamber of Commerce welcomes new residents to the greater Lyons area. Chamber members have contributed items to a welcome bag. If you recently moved here please visit the chamber website and register for your welcome bag ([lyons-colorado.com](http://lyons-colorado.com)).

The chamber invites you to check out the many chamber members in the greater Lyons area: Please support them and buy local. The chamber has monthly socials that are fun and a great way to meet others and learn about services and businesses. Check the website dates and locations.

The welcome to Lyons program is open to the greater Lyons area including Pinewood Springs. Questions? Contact chamber at 303-823-5215, [admin@lyons-colorado.com](mailto:admin@lyons-colorado.com); or Christy Crosser at [ccrosser@C2Strategies.com](mailto:ccrosser@C2Strategies.com), 303-823-5991.

For more information on any of the above, contact Gabi at 823-5345.
