Road Board

Our road contractor will be in Pinewood Springs beginning the first week of June to rebuild May Avenue, to perform sustaining maintenance on the roads that have already been rebuilt and, to rebuild Elk (if the money holds out). As usual, our Pinewood Springs road crew will be working with the contractor to help get as much work done as possible within our budget. During the rebuilding of May the road will be down to one lane and may occasionally be closed to traffic. Please consider alternate routes during the rebuilding.

Our road crew will also be cleaning ditches and culverts and doing other road maintenance throughout the summer months. Please be aware of their activity and cautious when driving in their work zone.

As always, please report any road problems or requests to the Road Board message service, 895-3848. Board meetings are held the 1st Tuesday of the month (June 5th & July 5th) at 7:00 PM at the Firehouse. Please enter through the back door.
