October 2015

Road Board

Work around Pinewood continues. We will be finishing the area around the Seneca Bridge now that the major construction of both bridge and water line has been completed. Upper Kiowa is on the list as well once the Kiowa Bridge to the Island is complete. As always, if you have any comments, questions or concerns, please contact us either through the Road Board email address - Roadboard@pinewoods.us, or via voice mail at (303) 895-3848. Board meetings are held every other month on the 1st Tuesday of the month at 7:00 PM in the Firehouse. Visitors are welcome. Please enter through the back door.

Brigade

We are Still Cookin'! We had a fun and successful party September 12th and the Brigade would like to thank everyone who attended the "Pinewood Springs Is Still Cookin' Cookbook" launch and Community Celebration. We have a few additional cookbooks available for sale, so if you have started to think about the Holiday gift-giving season, these cookbooks make wonderful gifts! Please email: judybigger@gmail.com to purchase your "one of a kind heirloom cookbook" before they are all gone.

Water District

One of the requirements when building our reservoir is that we established a protected habitat for the ever-popular Preble Meadow Jumping Mouse. The area around the reservoir has been established as that protected mouse habitat. Therefore, the reservoir and surrounding banks are off limits to public access; Please DO NOT trespass into this wildlife habitat.

Planning continues on the Kiowa Cree Looped Water Line. We are waiting on the survey now that the route has been chosen. Construction will hopefully start in about three weeks.

To be included on the Water Board meeting agenda, call Gabi at 823-5345 or email at pswdadmin@att.net. That meeting will be held on October 28th, 7:00 PM at the Fire Station Meeting Room. Please enter through the back door.

PSPOA

Planning continues on Crescent Lake restoration. Next PSPOA Board of Director meeting is Wednesday, October 21st, 7:00 PM at the Fire Station meeting room.

Pinewood Springs Community Church News

The Pinewood Springs Community Church would like to thank those who came out for the *Blessing of the Animals* service. We were treated to a beautiful Sunday with some wonderful animals who seemed to enjoy being blessed. We hope to make this a long-standing tradition.

Our Bible study continues Sunday morning at 9:00 AM followed by worship at 10:00. Of course, after worship we enjoy some refreshments in Fellowship Hall. We'd love to have you join us!

Estes Park Estates

Bladeworks is scheduled to start grading on Estes Park Estates Drive soon. Please watch for heavy equipment and expect a few, if any, very minor delays.
