Road Board

We have had snow and more is coming. Help us keep the roads plowed by not parking on the roads, especially in the cul-de-sacs. It can be very difficult to maneuver the plow trucks at the ends of our roads. Please be aware of the plow trucks and give them plenty of room. The trucks back up frequently and the drivers' visibility is often limited by the conditions. Thanks for your cooperation. Drive safely!

As always, please report any road problems or requests to the Road Board message service, 895-3848. Board meetings are held the 1st Tuesday of the month (Nov 1st and Dec 6th) at 7:00 PM at the Firehouse. Please enter through the back door. **Road Board**
