

## Pinewood Newsletter November 2014

### Water District

**Meeting Change Notice** Because of the Thanksgiving and Christmas Holidays, both the November and December meeting dates have been changed. The November Water Board meeting has been scheduled for Thursday, November 20, and the December meeting is scheduled for Wednesday December 10th at the Fire Station Community meeting room.

**Special Hearing Notice** Prior to the regular meeting on November 20, a Special Meeting has been called to review the 2015 proposed Budget. The hearing begins at 7:00 with the regular meeting scheduled to follow. Please enter through the back door.

As recommended by our accountants and dictated by the condition of our storage tanks and Health Department standards, the Board is contemplating a 5% increase in District rates for 2015.

There will be a special Board Work Session on Wednesday November 12th, 7:00 pm at the Fire Station. Topics include Employee Review and Budget.

To be included on the agenda for the next Water Board meeting call Gabi at 823-5345 or email at [pswdadmin@att.net](mailto:pswdadmin@att.net)

### Fire District

-  
**Special Budget Hearing Notice** Prior to the regular meeting on November 11, a Special Hearing has been called to review the 2015 proposed Budget.

Winter driving will be upon us soon. The cheap and easy items are wiper fluid, leave early so you don't have to hurry and scrape the entire windshield (not just a peephole). Good snow tires might cost money, but are probably the most effective safety tool in winter driving.

Twelve Pinewood Firefighters participated in the CPR refresher course held at the Fire Station on Tuesday night. Please follow the above safety tips, drive well and don't make us practice our renewed skills.

Next Fire Board of Directors meeting is scheduled for Tuesday, November 11th, 7:00 pm at the Fire Station Community meeting room.

### Road Board

-

As several people of our community had noted our roads were getting to the point that it would be difficult to safely plow when winter snows begin. With the county's cooperation and extra financial support and extra effort by our road crew we have patched most of our roads over the last couple of weeks. The county gave us the go ahead to purchase materials and to make our own repairs. The low bid contractor hired by the county to rebuild our roads is way behind schedule and could not make timely repairs. More details have been posted on the Pinewood Springs Facebook page. If you are aware of continuing road problems, please leave a message on our message service at the number below. Your comments are always appreciated.

As always, please report any road problems or requests to the Road Board message service, **303-895-3848**. Board meetings are held the 1st Tuesday of the odd numbered months of the year at 7:00 PM in the Firehouse. Next scheduled meeting is scheduled for November 4<sup>th</sup>. Please enter through the back door.

## Pinewood Springs Community Church News

Pinewood Springs Community Church is both pleased and sadden to announce that John Buechner will be moving on. John has accepted the position as Pastor of Broomfield Presbyterian Church. John's last day will be Sunday, November 16. Please join us for worship and a potluck afterward to wish he and Lori the very best in their new adventure.

Adult Bible Study will continue through November 16. We will then take the next two weeks off.

Worship will be at 10am with fellowship time immediately following the service.

### **Fire District**
