Road District

A big **thank you** to the snow-plow drivers. They put in many overtime hours trying to make the Pinewood roads passable for the residents. Well done John and Dan! Also, a reminder to not park on the road if your driveway isn't accessible. Snow could cover your vehicle and make it hard for the drivers to see. And don't block cul-de-sacs!

The PWS Road board will meet again on **Tuesday, January 7th, 6:00 P.M.** at the Fire Station Community room.

If there is new work to be done, please contact the members of the Road Board:

Christmas-gift suggestion: If your neighbor doesn't have one of the green reflective house number signs, give them one for Christmas. The Fire fighters would love to see one of those signs at every home. It makes their job easier to find your home in an emergency. Sold at our cost of \$10.00. Order at gb4949@aol.com.

Remember, uphill traffic has the right of way on snowy and slippery roads.
