

Pinewood Springs Water District Newsletter

March 1, 2012

Special District Election

2012 is an election year for both the Fire and Water District. Both Districts each have 3 positions up for re-election. Five Board members (3 from Fire and 2 Water) have graciously volunteered to re-up for another term. The Water Board is looking for someone with a financial background that can do Budget preparation. One new volunteer has submitted his self-nomination form. Please call Gabi with any questions about the election or to request a form. 303 823 5345

Water District

To be included on the agenda for the next Board meeting, March 28th, please call Gabi at 303-823-5345. The Board can be contacted by emailing all@pswd.com.

Fire District

The Pinewood Springs Fire Department is currently accepting applications for volunteers interested in serving their community. Training is provided in structure firefighting, wildland firefighting, emergency medicine, vehicle extrication, and hazardous materials response. Come to one of our maintenance sessions (3rd Tuesday of the month at 1900hrs (7:00pm) or one of our training sessions (4th Tuesday of the month at 1900hrs-7:00 pm) to learn more and to pick up an application packet.

With the recent windstorms, there is the possibility of damage to your property that could cause a fire or injury hazard. Chimney caps are sometimes damaged in high winds. Other vents can also become damaged or obstructed. Branches and broken trees can be dangerous if they have not fallen completely to the ground.

The next Fire Board meeting is the 2nd Tuesday (March 13th). For information about the Fire District, please visit the web site: www.pinewoodspringsfire.org. For information on Fire Mitigation and other wildfire issues, please access the Larimer County website <http://www.larimer.org/wildfire/>

Road Board

The Road Board is preparing for Spring knowing that there will still be more winter to plow off the roads. We are ready to fill potholes as soon as it quits snowing (whenever that is) and will be cleaning ditches and making other repairs just as soon as the ground thaws. This month we will be clearing some of the willows along Kiowa that obstruct sight lines at intersections. We have also met with the county engineers to get improved signage on some of the curves on Kiowa that are particularly problematic under winter conditions.

As always, please report any road problems or requests to the Road Board message service, 895-3848. Board meetings are held the 1st Tuesday of the month (March 6th & April 3rd) at 7:00 PM at the Firehouse. Please enter through the back door.

Pinewood Springs Community Church News

April 8th will be our annual Easter Sunday Service with a breakfast prior to church at 8:30 a.m. We usually ask those who want to attend, however it's not imperative, to bring either an egg dish, fruit, bread or juice to share. Easter Service will be at 10:00 a.m. and our annual Easter Egg hunt will happen after church for all the children who attend the service.

Bible Study (except on special occasions) begins at 9:00 with Church services following at 10:00.

Property Owners Association

Due to an influx of non-residents trespassing at the Tubs last summer, the Board is planning new signage for the area, a change in the parking and possibly a gate. If you have suggestions and/or comments, please attend the next Board meeting or contact the Board via phone or email. The next meeting will be held on March 21st at 7:00 pm at the Firehouse (backdoor). We welcome your presence and your input. The PSPOA Board can be reached via email at pspoa@pswd.com or 303 823 5345.

For those of you using wood pellets, there wasn't enough interest in a second pellet order at this time.
