

Pinewood Springs Newsletter - September 2018

Water District

The river has dried up enough that we need to switch to the reservoir. You may notice a difference in color and perhaps the taste of the water. If this were 2008, we would find ourselves preparing to haul water. Thankfully, we have the reservoir to assist Mother Nature with her inability to provide us with enough precipitation to meet our daily water needs. Because we are on the reservoir with not much in the way of precipitation in sight, we ask you to be frugal with your water usage and be mindful of toilets that are running, dripping faucets and other leaks that might develop in your home. And please remember that, according to our water decree, there is **no outside usage of treated water allowed, ever!**

Visit our website at www.pswd.com to see the District's Rules and Regulations and other interesting information. Next Water Board meeting is scheduled for Wednesday, September 26th, at 7:00 p.m. in the Fire Station Community Room. To be included on the next agenda, call Gabi at 823-5345.

Pinewood Spring Fire Station & Community Center

The new Community Center is available for use by residents representing non-profit or civic groups in the Pinewood community. Visit www.pinewoodspringsfire.org/communitycenter/ to review guidelines and policies. Next Fire Board meeting is September 12th, 7:00 p.m. at the Fire Station.

Road District

Our next Road Board meeting will be at the Firehouse Community center this coming Tuesday, September 4th beginning at 6 pm. So far, the PWS Roads Inc. crew has done a lot of roadwork and we are quite pleased with the progress. Our other private contractor, BladeWorks, will be up the middle of September to complete those tasks not done by Larimer County or the PWS Road Inc. crew. Please let us know if there is any roadwork in your neighborhoods that need attention. By the way, you should know the neighbors who are participating on the PWS Road Board. They are as follows: Chair - Charles Pease, Road Supervisor - John Lorang, Treasurer - Tommye Barnett, and Secretary - Karen Urdangaray.

If anyone is interested in joining our board, we are looking for a 5th member. We meet bi-monthly on Tuesday evenings at the Firehouse Community Room beginning at 6:00 p.m.. Our next meeting after the September meeting will be on Nov. 6th. Charlie Pease, Road board chair.

Pinewood Springs Community Church

Adult Bible study remains on hold while members determine when best to meet. Any thoughts? What is the ideal time for an adult Bible study for you? Please email Linda at lswis@msn.com with your ideas.

September finds Sue Spencer in the pulpit. Worship is at 10:00 a.m. with coffee and conversation immediately following in Fellowship Hall. Thank you! Linda Wisneski

Dialog Group Meeting

Last two meetings are this month on the 6th and the 20th at 7:00 p.m. Contact Jim with any questions at (303) 449-9954 or j.kettering@comcast.net and simply show up at any or all of the dialogues.

Pinewood Springs Property Owners Association

There are plans being made for a Fall Festival. Mark your calendars for October the 6th. See the enclosed flyer for all the details. Sue Painter and Laura Levy are the sponsors with assistance from numerous volunteers, Pinewood Fire, and the PSPOA.

We have been informed that the National Forest, which surrounds Pinewood, has a plan in place for heavy Fire Mitigation. The crews have been working up in Estes and are moving down the hill toward Pinewood. They will be cutting, trimming and clearing areas surrounding our subdivision to help prevent the spread of a major forest fire in this area.

We still have a good supply of green reflective house number signs for \$8.00. Order yours today. And the PSPOA Board is in need of Board members.

The next Board meeting is Wednesday, September 19th, 7:00 p.m. in the Community Room at the Fire Station. Please join us!
