## Road District

The Road Board has awarded the last contracts for road repair for 2017. Kiowa beyond the bridge will be graded and sealed as well as sealant being applied to Arapahoe, Pinewood Drive, Cree Court and May Avenue. These roads have been recently rebuilt and the sealant will reduce dust and prolong the life of the roads. The County is preparing the county maintained roads for winter, snow poles and snow fences have been put in place and the traction barrels have been filled. The road crew has finished their winter preparations putting up snow fences to reduce drifting and preparing our trucks and equipment for winter. Be aware of road operations and slow down around our crews. They are your Pinewood Springs neighbors.

The next Road Board meeting is Tuesday, November 7<sup>th</sup> at 7:00 p.m. in the PWS Church. The best way to contact the Road Board is by email at [RoadBoard@Pinewoods.us](mailto:RoadBoard@Pinewoods.us) or by calling our voice messaging service at (303) 895-3848. All board members are notified through either method insuring the quickest response.
