Pinewood Spring Fire Station & Community Center – pinewoodspringsfire.org

SAVE THE DATE- Join us for the **Pinewood Springs Flood Fest:** A Community Celebration Commemorating the 2013 Flood. Saturday, September 16, 2023, from 1 to 4 p.m. at the Pinewood Springs Fire Station; Sponsored by the Pinewood Springs Fire Protection District and the Pinewood Springs Property Owners Association.

Come and enjoy food, drink, and games, and spend time with your friends and neighbors as we remember and recognize the profound impact of the 2013 Flood on the Pinewood Springs area and help celebrate our remarkable and resilient community.

Want to help? We can use assistance with planning, set up and clean up. Email chief@pwsfire.org or call or text 303-818-7323 if you would like to help!

The next Fire Board meeting is scheduled for **Wednesday, Aug 9th at 7pm**. Contact Chief Ted Plank for zoom link information at chief@pinewoodspringsfire.org.

The Road District - pinewoodspringsPOA.com

John Lorang will be retiring from the Road Board this month after many years of service and leadership. We thank him enthusiastically for his role on the Board. We have two new members in the process of approval by the County, and an additional potential member interested in applying.

For road issues, please contact Joan Paskewitz @ 303-823-5937. Next meeting, **August 1st**, and then October 3rd, **7:00 pm** at the Fire Station.

Pinewood Springs Property Owners Association – pinewoodspringspoa.co

Please be mindful of your pets and the distress summer heat in PWS brings. When you leave your home, your neighbors ask that your dog be left inside your home, not outside in the heat. Often, they will often bark the entire time of your absence.

With Summer temps rising, dogs are susceptible to heat stroke and can die within minutes of an occurrence. Barking can be interpreted as a distress call from the dog, combining that with uncomfortable temperatures is a recipe for disastrous results.

A walker was attacked by a loose dog a few weeks ago. Her leashed dog sustained several injuries and there was a hefty vet bill. Please keep your dog fenced, or inside your home. **DO NOT** let your pets run free.

There was a rare occurrence of a Pinewood dog becoming very ill after eating a mushroom found in Pinewood. Be aware that while rare, it can happen.

This year the **Perseid Meteor Shower**, July 14-Aug 24, will peak around **Aug. 13, 2023**. The skies in Pinewood are amazing. Please remember to leave your outside lights off so we all can better enjoy the night sky.

Our new membership year started June 1st. Please help support the two public areas and other projects around Pinewood by paying your annual assessment of \$30.00. Being a paid member also entitles you to a discount in the Propane Co-Op with either Amerigas or Polar Gas.

Next meeting is Wednesday, **Aug 16th 7:00 pm via Zoom**.

Pinewood Springs Community Church

Just a reminder, no service on August 6th. Jessica will be in the pulpit the rest of August. Potluck Sunday is August 20th. Be sure to come and enjoy great food and friendship.

As always, worship at 10am with beverages and snacks afterwards in Fellowship Hall. All are welcome.
